

Case No.	Respondent	Summary of Findings APRIL 26, 2011	Summary of Board Action
M09-135	Carlton H. Wise P.E. (Mechanical) #28591	<p>On or about July - November 2007, Respondent prepared an alternative on-site sewage system and failed to apply the technical knowledge and skill that would be applied by other qualified registrants who practice the same profession in the same area and at the same time.</p> <p>Respondent's work on the project was deficient in that the soil testing reports submitted to the County and the Client were substantially different, even though they reported on the same field tests. The initial gravity feed leach trench design could not be built as shown on the plan; however, Respondent signed and sealed it and provided it to his client. A revised design based on a pump station and "CAP" trench system was sent to the County. The new plan was not marked revised, and was not sent to the Client.</p>	<p><i>Letter of Reprimand</i> <i>Cost of Investigation</i> — Pay cost of investigation in the amount of \$370.00.</p>
M10-055	Architectural Design Group, Inc.	<p>After receiving payment from its clients, Respondent Firm failed to pay a collaborating registered professional for their engineering services within the required time. (Respondent firm has paid its collaborating professional in full for their engineering services.)</p>	<p><i>Letter of Reprimand</i> <i>Cost of Investigation</i> — Pay cost of investigation in the amount of \$190.00.</p>

Case No.	Respondent	Summary of Findings	Summary of Board Action
JUNE 28, 2011			
M08-017	George Michael Haywood Land Surveyor #13941	On or about November 20, 2006, December 15, 2006 and April 11, 2007, Respondent failed to conduct a survey in accordance with the Arizona Boundary Survey Minimum Standards. Respondent did not reference any section corners, quarter corners, section lines or 16th corners; did not indicate on the survey map how he determined what the exact property lines should be. The survey exhibits did not show the legal descriptions of the parcel, any ties to section corners, quarter corners, or any point of beginning or points of commencement. Respondent did not show on the survey map a legend, or list reference materials he used in preparing the survey.	<i>Letter of Reprimand</i> <i>Cost of Investigation</i> -- Pay cost of investigation in the amount of \$490.00.
M08-096	William J. Norman Land Surveyor #16588	On or about November 27, 2007, Respondent failed to conduct a survey in accordance with the Arizona Boundary Survey Minimum Standards. Respondent did not show adequate section ties, and information to provide a proper section breakdown; did not show bearing and distance ties from the Center one-quarter to the South and West one-quarter corners; did not designate a "basis of bearing"; did not reference any source documents used for the survey; and did not describe the physical monuments at the East one-quarter. Respondent did not affix his RLS number to monuments shown as found and accepted that did not have identification and did not record the survey in the Pinal County Recorder's Office within the required time. Respondent firm provided land surveying in the State of Arizona without the benefit of registration.	<i>Amend Survey</i> -- Respondent shall amend survey and record it with the Pinal County Recorder's Office. <i>Administrative Penalty</i> -- Pay an administrative penalty in the amount of \$1,000.00. <i>Cost of Investigation</i> -- Pay cost of investigation in the amount of \$170.00.
M09-045	Brian W. Jevan Land Surveyor #30357	On or about July 30, 2008, Respondent failed to conduct a survey in accordance with the Arizona Boundary Survey Minimum Standards. Respondent did not determine the appropriate accuracy and make the required measurements necessary; did not set monuments on the three newly created parcels; did not set the South 1/4 Corner of Section 33 as required; and did not have a basis of bearing on the survey. Respondent has recorded an Amended Minor Land Division in the Graham County Recorder's Office.	<i>Letter of Reprimand</i> <i>Cost of Investigation</i> -- Pay cost of investigation in the amount of \$255.00.

M09-103 and M09-132	Kenneth K. Isaacson Land Surveyor #15928	<p>On or about December 2003 and June 22, 2007, Respondent failed to conduct surveys in accordance with the Arizona Boundary Survey Minimum Standards. Respondent's June 22, 2007 survey is deficient in that Respondent accepted a found unidentified rebar and did not affix his RLS number on the rebar; did not place sufficient information on the survey to locate the found monuments relative to block corners or adjacent streets; did not show ties to the section line monuments and road right of way; and refers to the subdivision plat as the Basis of Bearings for the survey and not physical monuments.</p> <p>Respondent's December 2006 survey is deficient in that Respondent did not search for physical evidence to determine existing conditions prior to setting the corners; ignored existing monuments, evidence of the adjoiner's possession lines and the existing fence that agreed with the old pins, did not show any monuments to the west of Lot 228 on his survey; rejected found monuments and did not explain the reason for not accepting them; showed the discrepancy between the monuments that he rejected, but did not explain in detail why he did not accept them.</p>	<p><i>Letter of Reprimand</i> <i>Professional Education</i> -- Respondent shall take and successfully complete a professional surveying course in Retracement Surveys and/or Boundary Law. <i>Examination:</i> Take and successfully complete the three (3) hour Arizona State Specific Exam for Land Surveyors. <i>Cost of Investigation</i> -- Pay cost of investigation in the amount of \$480.00.</p>
